Speed Riser[®] Assemblies

Irritec[®] is proud to announce a revolutionary break through in riser technology. Speed Riser[®] performs the same function as traditional flexible PVC risers but are quicker to install, more durable yet offer the ultimate in protection for your underground pipes. Speed Riser[®] fittings utilize Irritec Connecto[®] technology, an industry standard for high pressure water systems, adapted for use in Agricultural applications where flexible PVC material is used.

Benefits:

- 40% faster and easier to install
- Can withstand static pressure in above ground applications.
- Reduced Friction Loss - Less friction per foot than 1/2" or 3/4" flexible PVC riser.
- Works in conjunction with bondable saddles, glue in tees, grommet barb adapters and many other useful combinations of parts. (Versatile)
- Easy to take apart if necessary.

Available Options

Coupler
Part Number
A1-SRC25

Description
Coupler

Adapters
Part Number
A1-SR25HT
A1-SR25P1/2
A1-SR25TH75
A1-SR25FPT75

Description
Tube x Male Hose Thread
Tube x 1/2" Socket / 3/4" Spigot
Tube x 3/4" MPT
Tub x 3/4" FPT

Hose Tees
Part Number
A1-SR25HT55
A1-SR25HT66
A1-SR25HT77
A1-SR25HT88
A1-SR25HT11

Description
Tube x Series 500 Tee
Tube x Series 600 Tee
Tube x Series 700 Tee
Tube x Series 800 Tee
Tube x Series 1000 Tee

Saddle Adapters
Part Number
A1-SR25SP2
A1-SR25SP3
A1-SR25SP4
A1-SR25SP5
A1-SR25SP6
A1-SR25SP810
A1-SR25SP12

Description
Tube x Saddle 2"
Tube x Saddle 3"
Tube x Saddle 4"
Tube x Saddle 5"
Tube x Saddle 6"
Tube x Saddle 8/10"
Tube x Saddle 12"

Elbow and Tee Adapters
Part Number
A1-SR25EHT
A1-SR25EP1/2
A1-SR25HTHT
A1-SR25EFPT75
A1-SR25ETH75

Description
Tube x MHT Elbow
Tube x 1/2" Socket / 3/4" Spigot Elbow
Tube x MHT x MHT Tee
Tube x 3/4" FPT Elbow
Tube x 3/4" MIPT Elbow

Speed Riser® Valve Combinations
Part Number
A2-SR25EVHFHT75
A2-DR25VHFHT75

Description
Elbow x HT High Flow Valve
Straight x HT High Flow Valve

Barb Adapters
Part Number
A1-SRB700

Description
Tube x 700 Barb
w/ Top Hat Grommet
700 Top Hat Grommet
Tube x 825 Barb
w/ Top Hat Grommet
825 Top Hat Grommet

A1-AGR0700
A1-SRB825
A1-AGR0825

Tape Adapters
Part Number
A1-SR25T5
A1-SR25T7
A1-SR25T9

Description
Tube x Tape 5/8"
Tube x Tape 7/8"
Tube x Tape 1"

Hose Adapters
Part Number
A1-SR25H5
A1-SR25H6
A1-SR25H7
A1-SR25H8
A1-SR25H1

Description
Tube x Hose 500 Series
Tube x Hose 600 Series
Tube x Hose 700 Series
Tube x Hose 800 Series
Tube x Hose 1000 Series

Speed Riser® Cut Lengths
Part Number
D5-SR25PECL24
D5-SR25PECL30
D5-SR25PECL36
D5-SR25PECL48
D5-SR25PECL72

Description
24" Tube
30" Tube
36" Tube
48" Tube
72" Tube

Note: Tube ID is .750"
Roughness Coefficient is 160. Speed Riser® fittings do not obstruct flow.

Speed Riser® Cutter

Part Number
B5-HCUT

Description
PE Pipe Cutter

Note: Cutter is designed to make a clean straight cut in Speed Riser® Tube.
